

bjb Quickcash Portal Security Policy

bjb Quickcash Portal security system consists of security mechanism that protect agents while using bjb Quickcash Portal i.e :

1. SSL (Secure Socket Layer)

SSL is a network communication technology that scrambles your data transmission between bjb Quickcash Portal and your browser. SSL 128 bit encryption is used to protect your data communication. To ensure that you have the right protection during accessing bjb Quickcash Portal, please confirm the following :

- a. Assure that you have entered the correct bjb quickcash portal address and herewith we declare that there is only one official bjb quickcash portal address (<https://qcportal.bankbjb.co.id>);
- b. Before you enter bjb Quickcash Portal please ensure that there is a lock/key () sign on the left top corner of the home page as an indication of SSL 128 bit data transmission encryption between bjb quickcash portal and your browser;
- c. If you receive a notification that states “the certificate is not valid”, please do not continue accessing bjb quickcash portal;
- d. Please check the SSL on a regular basis to gain confidence that you are getting a valid SSL certificate when entering bjb Quickcash portal. (<https://qcportal.bankbjb.co.id>);
- e. Only enter bjb Quickcash Portal in a place that you think is safe, accessing bjb quickcash portal on public area is not recommended.

2. UserID dan Password

UserID and Password are another security parameters set beside AgentID and captcha needed to gain access to bjb quickcash portal. Some of the following are bjb Quickcash Portal password protections :

- a. Please be assure to keep your password confidential at all time and to ensure the security of the service you must not let anyone else operate the service and do not lend your password to anyone including to someone claiming to be a bank bjb employee;
- b. Make sure to change your password periodically by accessing **Administration – Change Password** menu;
- c. In any circumstances you feel that your user ID and password are no longer confidential, please immediately change your password by accessing **the Administration-Change Password** menu.

Bank bjb reserve the right, at its absolute discretion, to alter bjb quickcash portal security herein at any time without prior notice to bjb quickcash agents, to adapt to any situations, laws, regulations and new technologies.
